

First Baptist Church
Blue Springs, Missouri

Ministry Description

Title: Media Team Sound Operator

Gifts, Skills, Talents, Qualifications:

Ability to hear and mix music, knowledge of audio equipment, prior experience in church audio mixing. In addition, a servant spirit and passion for Christ must be evident for the person to excel in this role.

Responsibilities:

- Run sound for worship services
- Work with the Worship Pastor to ensure all sound needs are met for each service
- Attend appropriate rehearsals
- Arrive early to rehearsals and services to perform setups, so that the equipment is ready to be used at the scheduled begin time

Time Commitment:

As scheduled for Wednesday PM rehearsal and Sunday AM and PM services. Also possible special services and rehearsals throughout the year.

Training/Support Provided:

Sound and equipment training will be provided as needed, and ongoing evaluation will take place in rehearsals and one-on-one to ensure that the operator's skill, comfort and effectiveness levels are all increasing.
